MODELS EF423AL / EF423AL-H CARPET OVEREDGING MACHINES

OVERLOCK-COVERSTITCH

HEAVY DUTY
SINGLE NEEDLE
THREE THREAD

Models EF423AL/ EF423AL-H

APPLICATIONS

- This machine is designed for overedging heavy weight carpets and rugs.
- It also can easily sew even the high piles or the fast backing materials.

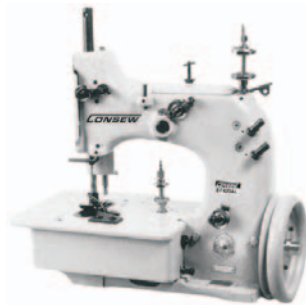

FEATURES

- One needle, three threads.
- By changing a presser foot and cloth guide (special order parts), you can also overedge around curves.
